Utah Animal Adoption Center

For Body Logic Dance Company's annual Humanitarian Concert, we are partnering with the Utah Animal Adoption Center. Their mission is to eliminate euthanasia of healthy, adoptable animals through rescue, spay/neutering, education, and adoption. Let us know if you would like to contribute an additional \$1-2 each month of your tuition to go towards a homeless pet. Also looking for a new pet? Why not adopt? Check out their adoptable pets at their website utahanimals.org
